

We are delighted to be welcoming you to The George in Rye

The George is located in the centre of the medieval town of Rye. Our 4-star hotel is Grade II listed. The building dates from 1575 and is a comfortable blend of old and new, creating an atmosphere which we hope you will find relaxing, informal and individual.

We thought you might appreciate having some useful information ahead of your visit.

There are thirty-four individually designed bedrooms, all ensuite with the finest beds and linen. Rooms have been reserved at a rate agreed with the Bride and Groom and guests are asked to reserve their rooms using the online link provided.

Please note that all bedrooms reserved under the wedding party must be booked using this private link. Alternatively please contact our Reservations team or Natalie Ball and they will be happy to process your reservation. Any reservations made via online third party agents will be processed as standard bookings. Special requirements can be left on a reservation note for us to process. It is not possible to allocate specific room numbers but all reservations will be allocated by the Hotel according to special requests (number of people, children, elderly guests, disabled guests, interconnecting rooms, twin rooms, etc.)

Please note that check-in is from 3 pm and whilst every effort will be made to make rooms available for an earlier check-in if requested, rooms cannot be guaranteed to be ready before this time.

The George can be found in the High Street in the centre of the town. There is no car park on site, but guests are able to drop luggage off outside the hotel and then continue to one of the car parks in the town which are all within a few minutes walk of the hotel. Attached is a map of the Town with details of car parks. There is free car parking in the High Street between the hours of 6pm and 8am. Outside of these hours parking is limited to one hour. We recommend the Cattle Market off Rope Walk at a charge of £1.50 per day (postcode TN31 7NA). Please note this car park is unavailable overnight on Wednesday and all day Thursday.

If the wedding ceremony is at Rye Town Hall, this is conveniently located under a minute's walk from The George. Turn right up Lion Street and you will see the Town Hall at the top of the hill.

Our function rooms are located on the 1st floor of the building and unfortunately due to the nature of the building, there is no lift. Please let us know in advance if you or any of your party has mobility issues.

Our receptionists would be happy to send you a comprehensive list of things to do and places to visit in Rye and the surrounding area.

If you have any queries concerning your stay, please do not hesitate to contact Reception who will be happy to help.

We look forward to welcoming you to The George in Rye.

Overnight Parking

For overnight parking, we usually recommend the Cattle Market car park, off Rope Walk, which is just a 3-4 minute walk from The George and costs just £1.50 for a full 24-hour period.

Please be aware the Cattle Market is not available for overnight parking on Wednesdays, in which case we recommend our guests use Rye Railway Station. This is also just 3-4 minutes from The George and costs £5.20 per day.

Both of these are indicated on the map below.

I hope this is of assistance to you. Should you have any further queries please do not hesitate to contact us.
